\*\*\*\*\*

With reference to the above subject, the industry presented a conceptual plan for the management of the plastic waste in the State on 04/04/2018. There is no concrete proposal or the road map in their plan for the collection or management of the plastic waste generated due to their product. It was decided during the presentation that activity wise plan shall be submitted by the industry for the Bhopal City and the same will be implemented in the other cities and towns of the State on successful implementation in Bhopal. However; the plan is not prepared as per the guidelines mentioned in the Plastic Waste Management Rules, 2016. After examination of the application submitted and the conceptual plan regarding Extended Producers Responsibility presented by the industry the Board agreed to grant you registration under Rule-13 of Plastic Waste Management Rules, 2016 for a period of one year i.e. from 01/04/2018 to 31/03/2019, subjected to the fulfillment of the following terms and conditions:
